

Coliseum Boulevard Plume Community Outreach Group Monthly Project Update November 2018

The following project activities are planned to take place during the period of **November 1-30, 2018**. In the event that activities are scheduled that were not reflected in this monthly update, an interim update will be issued and posted.

- Routine surface water samples will be collected as required by the Settlement Agreement for Voluntary Response, effective March 10, 2015 (“the Agreement”) and the approved plans and permits. Quarterly surface water effectiveness samples are collected in January, April, July and October each year. Compliance samples are collected every two weeks.
- Operation of the treatment systems and maintenance (including spraying and mowing and fence upkeep) of the project and treatment areas will continue in accordance with approved plans. Additionally, ALDOT will be repairing some erosion along the concrete-lined ditch south of the fence near Vista View.
- Routine observations and management of the plume area continue.
- The Community Outreach Group will meet at the ALDOT Materials & Tests Conference Room at 3700 Fairground Road at 5:30 pm on November 29, 2018.
- **Additional Community Outreach Group members are needed to represent the Chisholm community. Individuals interested in learning more about the project and serving on the Community Outreach Group should submit a nomination form for consideration. Details and the form are available on the web site (www.coliseumboulevardplume.com) or by leaving a message on the CBP’s 24-Hour Information Line: (334) 353-6635.**

Monthly updates, the 2017 Annual Report and other project information are available at www.coliseumboulevardplume.com and at the Coliseum Boulevard Branch of the Public Library.

- Should you have a project in the Coliseum Boulevard Plume area that involves excavation, drilling or potential contact with groundwater, please contact Adam Anderson or Jeff Laymon at ALDOT’s Bureau of Materials and Tests at 334-271-2200 as you are planning your project. ALDOT subscribes to AL 811 “Call before you dig” service, but can provide information about the plume during planning. Per Alabama law, everyone, including homeowners must contact Alabama 811 at least two working days prior to the start of any excavation project – no matter how large or how small – especially if you are using any type of mechanized equipment. Call 811 or log onto <http://www.al811.com/> to provide required notice before construction that includes excavation or drilling.

As always, if you have any questions or concerns please call and leave a message on the Coliseum Boulevard Plume 24-Hour Information Line at (334) 353-6635, or contact Ashley at (334) 271-0400 or acousins@acessllc.com.
